

加茂水族館
Kamo Aquarium

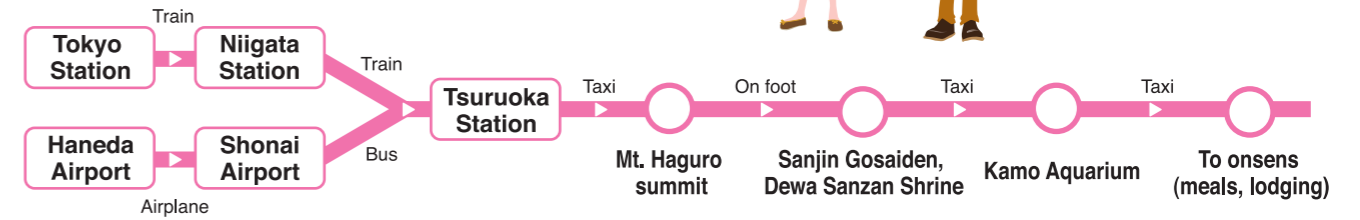

Kamo Aquarium boasts the world's greatest number of jellyfish on display. Over 50 different species of jellyfish appear otherworldly as they float through the water. Not to be missed is the huge tank spanning 5m across, called the Jellyfish Dream Theater. The sight of thousands of moon jellies floating in the tank is spectacular.

出羽三山神社 三神合祭殿
**Sanjin Gosaiden,
Dewa Sanzan Shrine**
This shrine on the summit of Mt. Haguro enshrines the three deities of Mt. Gassan, Mt. Haguro, and Mt. Yudono. The 28m-tall, 2.1m-thick thatched roof is a must-see.

Day 2

鶴岡カトリック教会 天主堂
Tsuruoka Catholic Church
The church is built in a Romanesque basilica style. The window pictures created using a unique technique different from stained glass and the black Virgin Mary can only be seen in Japan at this church.
